Thankfully, Modern Warfare 2 does have spl
it-screen capability, meaning you can play co-op with friends. However, you
ll only be able to use it in Private Matches within the Multiplayer mode. Note t
hat it also only supports two players rather than the classic four-player split-
screen.

Setting up Split-screen Players can now start MW2, and once t
hey reach the main menu, the second player should press the prompted button to j
oin the game (X for PlayStation, A for Xbox, or Space for K/M). At
this point, the second player must either log into their Activision ID profile o
r play without one.
