Call of Duty: Black Ops III is a first-person shooter video game developed by Treyarch and published by Activision. It is the third installment in the Black Ops series and the eleventh overall Call of Duty game. The game is set in the year 2034, during a conflict between the United States and a group of mercenaries known as the "Criminals of the Future" (COF). The game features a split-screen multiplayer mode, allowing up to four players to play on the same console. It also includes a single-player campaign, a Zombies mode, and a Warzone mode. The game received mixed reviews upon release, with praise for its graphics and multiplayer, but criticism for its campaign and lack of innovation. It is currently available on PlayStation 4, Xbox One, and PC.
