FNAF Version 2: Have you tried

Five Nights at Freddy#39;s 2 is a point-and-click survival horror video game developed and published#129297; by Scott Cawthon. It is the second installment in the Five Nights at Freddy#39;s series and a prequel to the#129297; first game. The game was released for Microsoft Windows, iOS and Android on November 11, 2014.

In Five Nights at Freddy#39;s#129297; 2, the player controls Jeremy Fitzgerald, the night guard at the recently reopened Freddy Fazbear#39;s Pizza. By avoiding animatronics controlled#129297; by the ghosts of deceased children, players must survive five nights in the pizzeria. The animatronics will move around the#129297; pizzeria at night, and they will attack the player if they get too close. Players can use flashlights and a#129297; few other tools to defend themselves, but they must be careful not to use too much power, or else they#129297; will lose.

Special upgrades in FNAF 2

There will be a bunch of new cartoon characters.
