Why did the Romans love gladiatorial combat? From the drama of the arena to the brutal reality of the games, it was a spectacle that captivated the masses.

Gladiatorial combat in Rome grew in popularity until it was said that Rome was built on bread and circuses.

Only two things were essential for the Roman people: bread and the circus.

Gladiatorial combat was a central part of Roman culture, providing entertainment and a display of military prowess.

Gladiatorial combat (Ludus Latrunculi) was a popular form of entertainment.

Ludus Latrunculi (sometimes known as Ludus Duobolus) was a board game.
