Fireboy and Watergirl 5

Co-operative Gameplay

Fireboy and Watergirl 5: Elements relies on co-operative gameplay. That

means it's much better to play it along with a friend! Instead of

playing against each other, you work together to solve puzzles and move

on through the level. The controls are set up so you can both play comfortably

on the same device. If you want to play solo, you can still play by con

trolling both characters at the same time.
