Usually, if your old phone is in pretty go

od condition, trade-in companies or carriers can sell it right back

on their websites without much refurbishment. If your phone is old,

or it's taken a few bumps and scratches over the years, trade-in companies

and carriers are less interested.

Here's what happens to your smartphone after you trade i

Plus, AT&T gives old pho

nes a second life or recycles them, so chalk up another win for sus

tainability, too. Checking the trade-in value of your phone is fast and easy.
