<p></p><p>2006 video game</p>

<p>Black is a 2006 first-person shooter video game developed by Criterion

Games and published by Electronic Arts. It👄 was released for the PlaySta

tion 2 and Xbox in February 2006. The player assumes control of Jack Kellar, a b

lack👄 ops agent being interrogated about his previous missions involving

 a terrorist operation. Gameplay involves players confronting enemies by using f

irearms👄 and grenades. The game is notable for its heavily stylized cine

ma-inspired action as well as its sound quality and focus👄 on destructiv

e effects during gameplay.</p>

<p>Black received generally positive reviews upon release. Critics praised

 the gameplay, sound design and presentation, but👄 criticized the game&#

39;s short length and lack of multiplayer. Despite Criterion's desire to dev

elop a sequel, creative differences with Electronic👄 Arts ultimately end

ed plans for one. As such a spiritual successor, Bodycount, was created by the s

ame developers at Codemasters👄 and released in 2011.</p>

<p>Story [edit]</p>

<p>Black is set in Ingushetia and Chechnya, Russia. The protagonist is Ser

geant First Class👄 Jack Kellar (Marty Papazian), an inadequately discipl

ined member of a CIA black ops unit. The unknown interrogator (Paul Pape) questi

ons👄 Kellar about an arms smuggling terrorist organization and gang call

ed the Seventh Wave who have been responsible for a number👄 of terrorist

 attacks and homicides. Kellar is soon shown that, unless he co-operates, he and
