<p>Warfare 1917 is a fun game of strategy, tactics and war. You are a military general in #128170; World War I and it is your duty to command your troops and lead them to victory. Before you start #128170; each battle you can upgrade your units. During a battle, you must deploy your troops to the trenches and help #128170; them advance across the battlefield to defeat the enemy. Your troops will only advanced when you have a certain number #128170; of soldiers in one place.</p>

<p>Keep pressure on your enemy and keep your troops advancing. You must use a combination of #128170; troops to advance - don#39;t simply use one type of troops - try using everything at your disposal such as #128170; riflemen, assault troopers and mortar troopers. Also remember to make use of your special abilities such as a mortar strike. #128170; This game is fun but also tactical and it will really make you think about your troop deployment and options! #128
