Many believe Call of Duty: Black Ops 2 provides one

of the best experiences that the storied first-person shooter franchise has to offer.

Considering its unique branching single-player, perfectly balanced multiplayer, and addictive zombies mode,

the title had something big to offer for a huge array of fans.

Black Ops 3? I would give it a solid 7.5/10. It is not a great game

, it will not go down in history, but it is very fun, well-designed, and really

WORKS mechanically, which most Call of Duty games have not done.
