Four Colors lets you play the popular card game for free in your web browser.

The aim of the game is to be the first player with no cards, similar to other

Crazy Eights style card games. Play a game like UNO in multiplayer with 2, 3, or 4

players.

Cp stands for Process capability. It is used to find the measurable property of a process to the width of the specification. The final solution of the process capability is generally specified either in the form of calculations or histograms.

$Cp = \frac{USL - LSL}{6\sigma}$
