Zuma is a trial version of the match-3

puzzle game developed by PopCap Games. In this popular and highly a

ddictive arcade game, you control a frog that can spit out balls of different co

lors. Once these launched balls match at least two of the same color from the mo

ving line of balls, they explode out of play.

PopCap asserted that Zuma

was "not an exact clone", with founder Jason Kapalka say

ing that he was "happy" with the idea of games being cloned by other d

evelopers, so long as the new version added to the gameplay of the game it had c

opied.
