Go is a strategic board game for two players. It is known as Weiqi in Chinese, Igo in Japanese and Baduk in Korea. Go is played on a board with 19x19 intersections. The game is played by two players, one in black and one in white. The black player starts the game by placing a stone on an empty intersection. The white player then places a stone on an empty intersection. The game continues until one player has no more stones to capture or no more moves to make. The player with the most stones on the board at the end of the game wins.
