Call of Duty: Vanguard is a great Call of Duty entry with absolutely stellar set pieces, fantastic visuals, and plenty of modes surrounding an excellently fun campaign. The only downsides are the muddled stories & not to mention what is happening in the company that published it.

Despite its length, it has a memorable campaign with rich and detailed environments. Vanguard, with a 6-hour campaign, was met with disastrous reception due to the new cast of characters. It was considered a bust in many aspects, leading to new release models to avoid making the same mistakes.
