Roblox is a popular online platform where users can create and play games. However, user-generated content can be inappropriate. Parents should know about risks like user-generated games, or "condo games," that feature adult content, such as simulated sex acts, graphic language, and inappropriate language. One of the main risks parents should know about Roblox are user-generated games, or "condo games," that feature adult content, such as simulated sex acts, graphic language, and inappropriate language. We do allow experiences with some forms of cartoon violence, as long as they are not overly graphic or realistic. However, Roblox does offer a feature that allows parents to limit the ability to chat, and types of experiences their children can access.
