&lt;p>Warfare 1917 is a fun game of strategy, tactics and war. You are a mili tary general in &#127818; World War I and it is your duty to command your troop s and lead them to victory. Before you start &#127818; each battle you can upgr ade your units. During a battle, you must deploy your troops to the trenches and help &#127818; them advance across the battlefield to defeat the enemy. Your t roops will only advanced when you have a certain number &#127818; of soldiers i n one place.&lt;/p>  
&lt;p>Keep pressure on your enemy and keep your troops advancing. You must us e a combination of &#127818; troops to advance - don&#39;t simply use one type of troops - try using everything at your disposal such as &#127818; riflemen, a ssault troopers and mortar troopers. Also remember to make use of your special a bilities such as a mortar strike. &#127818; This game is fun but also tactical and it will really make you think about your troop deployment and options! &#127 818; Release Date September 2008 Developer Chris Condon developed this game.
