Not only boys like to play such games, girls do too, because they come in different interpretations. And not necessarily shootings are about murder and violence. When you hold a weapon in your hands, you are overwhelmed with amazing feelings. You denote strength, security, and power, but at the same time a large amount of responsibility. We need to know weapons are not just an instrument of war. First, it is a tool that helps to achieve a specific goal. Weapons were invented in ancient times when it was necessary to defend against the attacks of enemy tribes and defend their rights. At that time, weapons looked like ordinary stones and sticks, but over time they improved and changed so that today they have evolved into what we see in war movies and various shooters. Another purpose of weapons in addition to defense - is hunting and warfare. Although many kids enjoy playing shooting games, not all of the mobile arcades offered are captivating enough to keep players interested for a long time. Our web</p></div>
